

Please let your Travel Consultant know if you would like to make a reservation at any of the recommendations below. Reservations are essential at many of the locations.

### CAVE Á MANGER

Karen Plains Rd

<https://thewinebox.biz/cave-a-manger/>

A neighborhood wine bar and restaurant offering paired wine and food menu options of small bites and mains.

### COFFEE GARDEN AT KAREN BLIXEN

Situated in Karen Blixen Coffee Garden & Cottages

<https://www.karenblixencoffeegardens.com/garden-coffee-restaurant/>

The coffee garden provides an outdoor seating experience, perfect for brunch, lunch and dinner. The menu offers a wide range of light bites, local favorites, pizzas, sandwiches, and hearty main dishes. They also have a fantastic cocktail and wine list. This peaceful garden is the perfect spot to stop for lunch on a busy day of touring the Karen Neighborhood!

### CULTIVA - Closed on Mondays

Pofu Road

<https://cultivakenya.com/>

Cultiva offers fine dining with a rustic feel. Meals are prepared with the freshest ingredients with their farm to table to concept. They are community orientated and most of the ingredients are curated from local farms. This has become a recent favorite of the Travel Beyond team and clients alike!

### EMBARK - Closed on Mondays & Tuesdays

80 Ngong Road

<https://www.facebook.com/Embarkrestaurant/>

An innovative fine dining experience in Nairobi. Embark offers a seven-course tasting menu with wine and tea pairings. The menu changes monthly, based on seasonal offerings. Chef Dennis is influenced by traditional African dishes but adds a contemporary twist.

### HERO – Closed on Mondays

9th Floor Trademark Hotel

<https://www.hero-kenya.com/>

Hero bridges fantasy and reality and draws its inspiration from comic book heroes and local community heroes such as well-known leaders, athletes, champions of humanity and protectors of the environment. The small plates draw influence from the idea of the superhero, and their superpowers. One can expect a variety of different dishes with something for everyone! Hero was ranked #68 on the list of World's Best Bars in 2022.

### MATBRONZE CAFÉ

2 Kifaru Lane

<https://www.matbronze.com/restaurant>

Stop in the cafe for lunch during your day exploring Nairobi! The menu features coffees, burgers, and sandwiches, as well as some healthier options. Once you are done with lunch, take some time to learn about the bronze art and silver jewelry made onsite.

### MATTEO'S ITALIAN RESTAURANT

Ngong Rd

<https://matteos.co.ke/>

An authentic Italian restaurant dedicated to providing customers with an unparalleled dining experience while being served in vibrant outdoor spaces. The menu features a wide selection of classic Italian dishes made with the fresh ingredients.

**TALISMAN** - Closed on Mondays

Ngong Road

<http://www.thetalismanrestaurant.com/>

Talisman is situated in an old house in Karen, which was originally owned by a famous wildlife photographer & author Alan Root. Talisman offers fine dining in a whole different setting. Their menu has something for everyone offering a variety of meat dishes, fish options, buddha bowls, sushi and an extensive cocktail and wine list!

### TAMARIND BRASSERIE

165 Ngong Road

<https://tamarind.co.ke/brasserie/>

A family-friendly restaurant set in a lush garden in the middle of a rare conservation forest in Karen. The menu is extensive with a selection of local dishes, options from across the African continent, as well as international cuisine. They have a playground which makes this a great choice for any family travelling with young children. We particularly recommend booking one of the private gazebos under the trees.

### TIN ROOF CAFÉ

Dagoretti Road

<https://www.tinroof.cafe/>

Tin Roof Café is an outdoor café open for breakfast and lunch, offering an impressive range of salads, toasted sandwiches, burgers, pizzas, and delicious sweets. At the Tin Roof, their philosophy is all about creating a fresh, green space to sit and enjoy a hearty meal. They also source locally-grown produce and decorate using upcycled furniture to be mindful of their environmental impact.
